AFTER SCHOOL PROGRAMS CHAVEZ ELEMENTARY SCHOOL

PHOTO + MIXED MEDIA MARCH 7TH TO JUNE 13TH

**1404 S 40TH STREET
SAN DIEGO, CA 92113**

ABOUT

Dive into photography and digital media with Outside the Lens at our after-school program for students in grades 3-5: Photo + Mixed Media. You'll learn how to brainstorm and create unique photography and mixed media projects. You will learn from Outside the Lens Media Educators through different hands-on projects that include mixed media, animation, digital art, and photo collage! Through participatory, arts-integrated projects, you will explore the world around you and express your story. Photo + Mixed Media takes place Monday-Thursday after school.

Level Up SD Spring 2022 offers out-of-school enrichment provided by community nonprofit partners. Students will be able to experience enrichment programs that are located on or near their school campus, with programs that offer engaging enrichment activities. Contact your child's school for more information.

Level Up San Diego in-person programs will implement the following COVID-19 safety precautions:

1. Masks
2. Stable groups
3. Physical distancing
4. Adequate ventilation
5. Hand hygiene
6. Daily screening for symptoms or exposure to COVID-19
